SPIRITUAL EXCERPT

"Time spent with God is never wasted."
Brother Francis Edkins C.F.R.

WHY DO WE HAVE A HOLY HOUR?

On Holy Thursday evening Jesus asked his disciples to stay awake for an hour and pray with him, yet despite his request, they all fell asleep. **Each Thursday evening** at OLV we have a Holy Hour where we stay awake in adoration of our Eucharistic Lord. During the Hour - prayers are recited, a song or two may be sung and there is quiet time for one to pray or meditate. We live in a very noisy world which pulls us in every direction. The weekly Holy Hour helps to refocus and recharge one's inner batteries to face the world for another day. So if you have never been at the Holy Hour, **try it you may like it. Every Tuesday afternoon** from 2:00-3:15pm we have a Holy Hour with recitation of the Marian Centicle Novena which is a version of the rosary with additional prayers. **On Fridays** we have continuous quiet meditation of the Blessed Sacrament from after the Noon Mass to 3PM.

Somebody got angry about that, because it was Everybody's job. Everybody thought Anybody could do it, but Nobody realized that Everybody wouldn't do it. "SAFE SEX" CAN KILL YOU TEENS - WHY TAKE CHANCES

Birth Control Pills are dangerous for you, especially if you are under 17. It contains a powerful hormone that affects the pituitary gland – the master gland in your body. This master gland is trying to coordinate your growth process. The Pill can make you sterile, preventing pregnancies later in life when you may really want to have a baby; it can also cause phlebitis, which can cause blood clots. Condoms are not the safe route either. Using condoms is like playing Russian roulette – your life is at stake. 20% of condom lots tested by the US Food and Drug administration were found to have higher than allowed defective rates. Condoms fail 3-36% of the time in preventing pregnancy. Not to mention the failure rate for HIV/AIDS which is 100% fatal.

2017 Sharing God's Blessings Appeal

Your contribution to the 2017 Sharing God's Blessings Appeal makes a difference in the lives of so many in our community. Funds raised through the appeal help to educate children in our inner-city Catholic schools, serve the spiritual needs of people at parishes located in poor neighborhoods, and assist Catholic Charities in running its programs, which help the poor overcome the many obstacles in life. In addition, the appeal assists with seminarian and priest retirement costs. Please consider making a generous gift. **IF YOU MAKE A PLEDGE DIRECTLY TO THE ARCHDIOCESE, PLEASE INFORM THE RECTORY SO THAT WE CAN CHECK AND VERIFY THAT OLV GETS THE CREDIT.**

HOMEBOUND

If you or anyone you know is homebound – even for a short duration of time - please contact the parish office so I or an Extraordinary Minister of Holy Communion can be scheduled to bring the Eucharist to the sick and homebound.

A HEARTWARMING STORY

A 10-year-old girl named Sarah was born with a muscle missing in her foot and had to wear a brace all the time. She came home one day and reported that she had competed in "field day" at school. It was a day full of lots of races and competitive events. Because of her leg support, her parent's minds raced to try to think of an encouraging word to say, but before they could say a word, Sarah said she won two of the races. Her parents could not believe it, and Sarah spoke up again and said, "I had an advantage." Ah, we knew it; her parents thought; she must have been given a head start. But again before they could say a word, Sarah spoke up and said that she wasn't given a head start; she said, "My advantage was I had to try harder!"

RIPPLES

Skip a stone across the water, and its ripples will journey far. Sunbeams will dance upon them - it might even reflect them to a star. Smile sweetly to someone passing, and it makes their morning glad. It may greet you in the evening when your own soul may be sad. Do a simple deed of kindness; its effect you may never see. Yet, it may flow like rippling water, down the long road of eternity.

CLOTHING BINS

"What better way to share your heart with someone than to help a person in time of need? Would you be willing to take few moments and look in your closet today? We accept clothing, shoes, small appliances, linens, sheets, towels, stuffed animals, novels and children's books.

CCD Corner

This is a reminder that there will be **no CCD today or tomorrow** due to the closing of schools for mid-winter break. Classes will resume next weekend at the usual time. When inclement weather strikes (like this past Sunday) and you are not sure if there will be CCD classes, I suggest you check our website (olvhp.org) for up to date information. The Confirmation Candidates will be sponsoring the **Annual Soup Dinner on Ash Wednesday, March 1st** in the lower church from 5:00pm to 6:30pm. The times allow people to have something to eat after the 5:00pm or before the 7:00pm Masses.

SPIRITUAL WARFARE

We are constantly under attack and tempted by the forces of EVIL. Every Tuesday afternoon from 2:00-3:15PM members of OLV parish meet and pray the Mary Mother of All Nations Novena which focuses on this daily battle.

GRAPHIC PHOTOS

"So what is it that offends many people who are shown the pictorial truth about abortion? It is instructive to notice that people who become infuriated after seeing the gory graphics are not usually outraged at the barbarian who did this to the baby, but rather at the person who showed them the picture. Why is it that in this generation, showing pictures of emaciated, naked Jews, stacked like cordwood, engenders emotion against the Nazis, but a garbage pail full of baby parts produces no anger at the abortionist but at the messenger? The answer can be found by acknowledging that the present generation bears no responsibility for slaughtered Jews whereas the present generation is covered with the guilt of the innocent blood of aborted babies. When one is confronted with one's own guilt, it is easier to shoot the messenger than to deal with the guilt. That would take courage and sacrifice – two qualities that are in short supply in contemporary society."

CHRISTIANS, KEEP FAITH...BUT NOT FROM OTHERS.

GRATITUDE

I am thankful for:

- ...the mess to clean after a party because it means I have been surrounded by friends .
- ... the boss who annoys me because it means I have a job and some money .
- ... the clothes that fit a little too snugly because it means I have more than enough to eat.
- ...my shadow who watches me work because it means I am out in the sunshine .
- ...my little sister who always wants to play because it means I have a family to care for.
- ... a lawn that my parents want me to mow, the garbage that needs to be taken out and my room that needs cleaning because it means I have a home .
- ... all the complaining I hear about our government because it means we have freedom of speech.
- ... the class on the opposite side of the school because it means I am capable of walking .
- ...the person behind me in church who sings off-key because it means I can hear .
- ...the teacher who bugs me because it means I have the privilege of going to school and learning.
- ...weariness and aching muscles at the end of the day because it means I have been productive.
- ... the alarm that goes off in the early morning hours because it means that I am alive.

WOULD YOU CONSIDER ABORTION IN THESE SITUATIONS?

1. A preacher and his wife are very, very poor. They already have 14 children. She now finds she is pregnant with number 15, and they are already living in tremendous poverty. Would you recommend an abortion? If you answered "yes," you would have recommended the death of John Wesley, the founder of the Methodist Church.
2. The father is ill with syphilis; the mother has tuberculosis. They have four children. One has already died, one is blind, one is deaf, and one has tuberculosis. The mother is pregnant again. Would you recommend an abortion? If you answered "yes," you would have recommended the death of Ludwig Von Beethoven.
- 3) A baby is born crippled and a dwarf. If the outcome had been predicted in advance would you have recommended an abortion? If you answered "yes," you would have recommended the death of the poet Alexander Pope.
- 4.) A white man raped a 13-year-old black girl and impregnated her. Would you recommend an abortion? If you answered "yes," you would have recommended the death of gospel singer Ethel Waters.
- 5) A poor teen-age girl is pregnant and unmarried. Her father disowns her and her child. She would name the child after its father and raise the child herself, while bearing the disgrace of illegitimacy. Would you recommend an abortion? If you answered "yes", you would have recommended the death of Fr. Joseph Mohr, the lyricist and composer of "Silent Night".
- 6) A teenage girl is pregnant. She is not married, and her fiancé is not the father of the baby. Would you recommend an abortion? If you answered "yes," you would have recommended the death of Jesus Christ.

"My priesthood means not only sacrifice for the sins of the world and for my own sins, but also an apostolate of truth and love."

THE 12 RULES TO RAISE DELINQUENT CHILDREN

The Houston (Texas) Police Force came up with them and they are as follows:

1. Beginning in infancy give to your children everything they want. (In this way they will believe the world owes them a living.)
2. When your children pick up bad words - laugh as if it were cute. (In this way it encourages them to pick up cuter words and phrases to spout out when they get older.)
3. Never give them any spiritual training. Wait until they are 21, and let them decide for themselves.
4. Avoid the use of the word WRONG. (They may develop a guilt complex and low self-esteem.)
5. Pick up everything they leave around, including shoes, books, clothes, etc. Do everything for them. (So when they get older, they are experienced in directing all responsibility on others.)
6. Let them read all the printed matter they can get their hands on; we should include watching all the TV, be on the internet, and play as many video games as possible. Be careful to make certain that the silverware and glasses are clean and sterilized, BUT ... let their minds feast on all the garbage they wish to put into it.
7. Quarrel frequently in front of your children in this way they will not be shocked when the home is broken up later on.
8. Give your children all the spending money they want. Never let them earn their own way. (Why should they have things as tough as you did as a child?)
9. Satisfy their every craving for food, drink, comfort and things. See that every sensual desire is satisfied. (Because denial might lead to harmful frustration.)
10. Take their side against neighbors, teachers and the police, because as you know they are all prejudiced against your child. (Everyone knows that.)
11. When they get into real trouble, apologize for yourself by saying, "I never could do anything with that child!"
12. Prepare for a life of grief,, You've earned it.
